## Survey on Voting Among People with Immigrant Background, 2011

Overview	
<b>Type</b>	Norwegian Election Studies
<b>Identification</b>	NSD2071
<b>Version</b>	Production Date: 2014-03-17 <a href="#">Notes</a> Original data from Statistics Norway are documented and prepared, first NSD-version.
<b>Series</b>	Ble første gang gjennomført i 2007.
<b>Abstract</b>	
<p>The study on voting among voters with immigration background are commissioned by the Ministry of Children, Equality and Social Inclusion. The survey was conducted in 2007.</p> <p>The population was limited to persons who, according to electoral lists had been in the municipal council and county council election in 2011 and that had originating from one of the countries included in the study. Respondents sampled were from Asia, Africa, Latin America, Oceania except Australia and New Zealand and some countries in Europe.</p> <p>The survey was conducted with self-report questionnaire online and paper. At first contact all respondents received information on completing online. In subsequent envoys were also made by form on paper. Online questionnaire was available in Norwegian and English. Paper form was made in Norwegian, English, Somali and Urdu.</p> <p>For access to the dataset, use the NSD application form:</p> <p><a href="http://www.nsd.uib.no/nsd/english/orderform.html">http://www.nsd.uib.no/nsd/english/orderform.html</a></p>	
<b>Kind of Data</b>	Survey data
<b>Unit of Analysis</b>	Individual

Scope & Coverage	
<b>Keywords</b>	Elections, Voting behaviour, Politics, Immigrants
<b>Topics</b>	Politics, Elections
<b>Time Period(s)</b>	2011-2012
<b>Countries</b>	Norway
<b>Geographic Coverage</b>	
Country	
<b>Universe</b>	
<p>Immigrants with Norwegian citizenship, or who has lived more than three years in Norway and therefore are entitled to vote. The following countries were included in the sample: All countries in Asia (including Turkey), Africa, Latin America, Oceania except Australia and New Zealand and the following European countries: Albania, Bosnia and Herzegovina, Bulgaria, Estonia, Belarus, Kosovo, Krotien, Latvia , Lithuania, Macedonia, Moldova, Montenegro, Poland, Russia, Serbia, Slovakia, Turkey, Ukraine and Hungary.</p>

## Sampling

### Sampling Procedure

Gross sample: 1994 persons

Net sample: 752 persons

Response rate: 37,7%

## Data Collection

<b>Data Collection Dates</b>	start 2011-12-07 end 2012-01-13
<b>Time Period(s)</b>	start 2011 end 2011
<b>Data Collection Mode</b>	Telephone interview
<b>Data Collector(s)</b>	Statistics Norway (SSB)

## Accessibility

<b>Distributor(s)</b>	NSD – Norwegian Centre for Research Data
<b><u>Access Conditions</u></b>	Application for access to the data has to include name, institutional affiliation, project title, information about sources of financing, postal address. A declaration of secrecy has to be signed before delivery of data.
<b><u>Citation Requirements</u></b>	Users are obliged to refer to producer and distributor of the data by writing the following in forewords or footnotes in eventual publications: "(Some of) the data applied in the analysis in this publication are based on "Survey on Voting Among People with Immigrant Background, 2011". The survey was financed by The Ministry of Children, Equality and Social Inclusion. The data are provided by Statistics Norway, and prepared and made available by NSD - Norwegian Centre for Research Data. Neither Statistics Norway nor NSD are responsible for the analysis/interpretation of the data presented here."
